Peer Support News Week 6

This week in Peer Support children will revise what they have learned about resilience and discuss the people who show them support. Through a story the children identify where the character has used her personal qualities, strengths and skills to help her overcome challenges. They identify times when she needed support to continue. The children discuss a range of challenges and determine the best person to approach for support. The children consolidate the protective factors for resilience by revising their own strengths and skills and identifying 5 people they can go to for support. Remind your child of their qualities and skills and encourage them to ask for help in challenging situations.

Students doing amazing things…..

Tayla Hildenbeutel of the Millthorpe Ballet Studio competed at the Orange Eisteddfod on Tuesday, 11th August in the 9 & 10 years Classical Solo Restricted section. There were some very talented dancers competing and Tayla performed a beautiful solo that earned her second place. Well done Tayla!
