Welcome to the last newsletter for Term 3

We have been busy all day with repeated cybersafety sessions for all students from Kindergarten to year 6, delivered by Belinda Bostock, from Orange Police.

Please be very vigilant during the upcoming holiday break, to supervise students when they are on line.

They have been told very clearly to tell parents if they receive messages whilst online.

They have been reminded to never share passwords, addresses, or personal information online.

Belinda has provided some hand-outs for parents regarding the cybersafety of their children. It has also come to our attention that many children have facebook and twitter accounts who are underage. Children must be 13 years old to have a facebook account.

Children playing popular online games are also at risk, as they can be solicited by unknown individuals posing as children.

Please be very vigilant, and remind children of these important safety messages.

Attendance - heads up

We are required to review attendance data on a regular basis. Recently Millthorpe Welfare Team have analysed the attendance of all our students. It has come to our attention that some of our students are arriving late to school on a regular basis. There are also some students whose whole day absences are approaching a higher than acceptable level, where poor attendance is impacting on learning. As part of our review process, some families may be contacted in the near future to discuss this further.

Please try to be at school, on time, all the time!

Thanks.

Rotary Cooking Competition

On the 12th of September, four girls went to a Rotary cooking competition at Orange Farmer’s Markets. Their names were Melissa Cowan, Loretta Francis, Ruby Hobba and Annabel Fitzsimmons. We whipped up a storm to try and beat the other teams, but were unsuccessful in winning. Ruby and I cooked Steak with Mushrooms and Kumara Chips, and Melissa and Annabel cooked a Warming Winter Stew. Our challenge was to have the least amount of waste, and cook two delicious dishes. Rotary organised the day and local producers provided the ingredients.

We had to have 1 vegetarian dish using chickpeas and 1 non-vegetarian dish using steak. We had 1 hour to prepare them, and were even early plating up! The other teams were Calare Public School, Cudal Public School and Orange Christian School, who made their own pasta from scratch and won, but everyone’s dishes were delicious.

Every school got a cook book for their library for participating in the day. We got ‘Cooking Class-57 recipes that kids will love to cook (and eat!). We really enjoyed it, and maybe next time it’ll be you!

Thank you Mr Mason for being our mentor on the day and thank you to Mrs Sharp for helping with our recipe selection. Loretta Francis
